POWER STATION

pathways to action

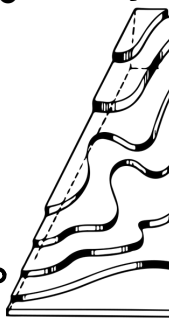
First and next steps to get involved with community owned and renewable energy, right here in Edinburgh!

"i'm ready to get started!" (5 minutes)

- [ ] Sign a national petition to stop the Scottish Government approving a gas power plant in Peterhead at bit.ly/46DtHiQ
- [ ] Sign up for the 'Power Station' DIY Community Energy Guide at power.film

"let's dive in!" (20 mins–1 hour)

- [ ] Join an online meeting on 9 Oct (1–2pm or 7–8pm) to demand a better Scotland together – including through rapid climate action! scotland-demands-better.com/events
- [ ] Take a self-assessment to see if you're eligible for free energy saving home improvements! bit.ly/46sg6d5



"time to go big!" (starting your own project)

- [ ] Explore funding for community renewable energy projects at localenergy.scot/funding & with this Funding Finder! bit.ly/3K12UnT
- [ ] Join webinar 'Structuring your Community Energy Project in a just and inclusive way' on 2 Oct, 11–1pm bit.ly/4nxrXgT

email a photo of your checklist – doesn't have to be completed – to info@takeoneaction.org.uk to enter a prize draw!

"i'd like to read more!"

- ARTICLE: 'The Artist-Activists Ushering In a New Energy Democracy' bit.ly/48gedT5
- BOOK: 'Who Owns the Wind? Climate Crisis and the Hope of Renewable Energy' by David McDermott Hughes
- BOOK: 'In This Together: Connecting With Your Community to Combat the Climate Crisis' by Marianne E. Krasny

"things to listen to?"

- Upstream Podcast episode: 'The Green Transition Part 1: The Problem with Green Capitalism' upstreampodcast.org/greentransitionpt1

"more things to explore please!"

- Become a member of Porty Community Energy (or an Associate if you live outside the Portobello area) bit.ly/41SliFD
- Spend time diving into the Power Station DIY community energy project guide (linked above!)
- The Community Climate Adaptation Routemap: practical guide for community adaptation to climate change bit.ly/4goV6sd
- Become a member of Community Energy Scotland, accessing a network of support and influencing the wider energy system communityenergy.scot/membership/
